CHOOSE YOUR OWN PATHWAY

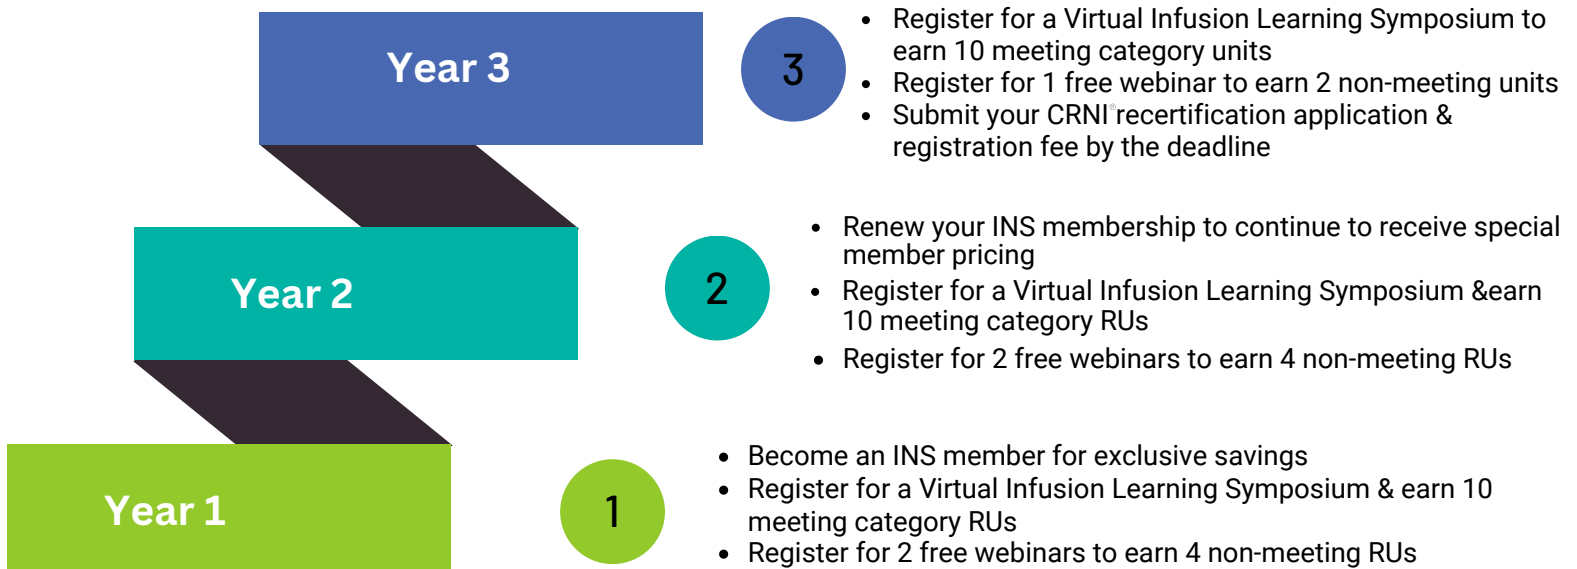

Option 1 - INS Annual Meeting & Exhibition

The easiest and most rewarding way to acquire all 40 Recertification units (RUs) required for recertification, all in one place and at one time.

Option 2 - Recertify All Online

If you are unable to travel to an INS annual meeting, the Virtual Infusion Education platform in the INS LEARNING CENTER is the perfect alternative—you can view programming live or on-demand from your laptop or mobile device using our new CRNI[®] recertification approved section.

Option 3- Recertification by Exam

To recertify by exam, a CRNI® must pass the CRNI Exam during the final year of certification (year three). Applications will become available in the last year of the CRNI's certification cycle under their CRNI® Certification profile online.

If the CRNI® credential expires on **April 1**, the CRNI® must pass the **March CRNI® Exam**.

If the CRNI® credential expires on **October 1**, the CRNI® must pass the **September CRNI® Exam**.

If the CRNI® credential expires on **January 1**, the CRNI® must pass the **September CRNI® Exam**.
