## 01 INS LEARNING CENTER

- **FIT Program** - The Fundamentals of Infusion Therapy (FIT) program offers an enhanced learning experience through audio, video, and 3D graphic presentations. FIT features 8 learning modules that take you through the essentials of infusion therapy.
- **Webinars** - Online-only programs live and archived. Webinars are free for members.
- **Conference Learning** - Sessions recorded at INS meetings
- **Anytime Learning** - A mix of prerecorded educational programs, task force reports, and reference guidelines
- **Position Papers** - INS' stance on important issues affecting the specialty
- **Podcasts** - Connect you to discussions with recognized infusion therapy leaders
- **Virtual Infusion Education** - Delivers expert-led educational conferences directly to your computer or mobile device worldwide
- **Clinical Community Discussion Forum** - Post a question or join an existing discussion with INS members

## 02 PUBLICATIONS

- **Journal of Infusion Nursing (JIN)** is the premier publication of INS, with scientific articles from the brightest minds in the specialty. Delivered bimonthly, JIN is a leading resource for infusion nurse specialists and other health care professionals involved in infusion therapy.
- **INSider** is the official bimonthly membership magazine. In addition to special features, society news, and announcements, INSider contains regular columns on medication safety, clinical concepts, advances in the specialty, and current events.
- **INS Newsfeed** is a unique, customizable news source for the infusion specialty. From exhibitors, blogs, and industry publications, INS Newsfeed delivers fresh, essential industry content to your inbox weekly.

## 03 INS RESOURCES

- **Infusion Therapy Standards of Practice** is our signature publication. Adherence to the *Standards of Practice*, promotes consistency in patient care, guides clinical decision-making, and enhances competency. Members receive a free digital copy of the *Standards* plus a significant discount on the printed version.
- **Policies and Procedures** family of resources provides information on the processes and techniques essential to infusion therapy delivery, across various practice settings and patient populations. Members receive a significant discount on this publication.
- **Digital Bookstore** offers flexibility over how educational solutions are delivered to you at a discounted price.

## 04 ANNUAL MEETING

INS Annual Meeting & Exhibition brings together hundreds of infusion therapy professionals from all over the globe to learn about the latest improvements to patient care and see the newest products on the infusion market today. INS assesses for educational gaps in clinical practice and strives to close those gaps with interactive, engaging, high-quality educational sessions. The Annual Meeting provides professional development programs that will improve the delivery of healthcare and the practice of infusion nursing.

## 05 CRNI® CERTIFICATION

Certified Registered Nurses Infusion (CRNI®) are advocates for improving patient care. They are up-to-date with the latest advances, technologies, and techniques in the infusion specialty. The CRNI® certification program is the only nationally recognized & accredited certification in infusion nursing.
